

MyChart Enrollment Guide

Patient Quick Guide

Purpose

MyChart allows patients to access their healthcare information, communicate with the care team, and review appointments online.

Option 1: Sign Up Using an Email or Text Invitation

If you received an email/text invitation to join MyChart, follow these steps:

1. Open your email/text invitation. Click the link in the email/text to begin enrollment. Your activation code will be entered automatically.
2. Verify your identity. Enter your date of birth and ZIP code.
3. Create your account. Choose a username and password to access your Texas Liver Institute MyChart account.

Your account is now ready to use!

Option 2: Sign Up Through the MyChart Website

If you do not have an email invitation, you can request an activation code online.

Step 1: Visit the MyChart website

Go to <https://www.mytxliver.com/TLI/app/activation>

Step 2: Request an activation code

1. Click Sign up with your information.
2. Enter the information requested.
3. Click Submit.
4. Check your email for your activation code. It should arrive within a few minutes.

Please note: If the information you enter does not match your patient records, your request will be sent to the Health Information Management team for identity verification. Once your identity is confirmed, your activation code will be sent to you by email.

Step 3: Enter your activation code

1. Return to the MyChart website.
2. Enter the activation code you received by email.
3. Click Next.

Step 4: Verify your contact information

1. Review or update your contact information for two-factor authentication, which helps protect your account.
2. Click Continue.
3. Choose how you would like to receive your security code: by email or text message.
4. Check your email or text messages for the code.
5. Enter the security code and click Next.

Step 5: Create your login information

1. Choose a username.
2. Create a password.
3. Review and accept the Terms and Conditions.
4. Personalize your contact preferences, if prompted.

You have now completed your MyChart enrollment!
